PREPARED YOU MUST BE!

It's Spring and that means it's time for CAMPOREE!! For this year, Las Colinas and Cahuenga Districts have combined together to make a Camporee on a Galactic Scale! We're working together to plan a program full of all the fun, adventure and scouting skills you've come to expect from our Camporees and hopefully a few new surprises! One new item for this year is every participant will get a T-Shirt! Yes, you read that right. Every registered Scout or Scouter will get a Camporee T-Shirt. We're looking forward to seeing all of you at the event!

The original Jedi Master and a great force in our galaxy, Lord Baden-Powell, once said "*A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens.*" In that spirit, we hope that you will Be Prepared by practicing your Scout skills in anticipation of this year's Dual-District STAR WARS camporee! The competition event(s) that your unit sponsors should be themed accordingly with props and costumes from a galaxy far, far away... as should also your patrol names, unit gateway, and campfire skits. We're looking forward to seeing your creativity on display -- and may the Force be with you!

WHAT IS CAMPOREE?

A Camporee is many things; camping fun for Scouts, the stomping of hundreds of feet on the way to the evening campfire, and the smell of burning stew. It's the ripple of wind-blown flags in the morning sun. It's catching the idea of teamwork in the Patrol method. It's working together for a common goal and learning how rewarding that can be. It is an opportunity for Webelos and Arrow of Light Patrols to learn about Scouting and for Scouts to help and teach their younger counterparts. Hopefully, friendships will grow out of this adventure, and the Webelos and Arrow of Light Scouts will feel more comfortable in their transition to Scouts BSA.

Camporee is an opportunity for Scouts to get together and compete against one another in friendly competition. The program consists of camping and Scouting skills, games and a campfire.

Each unit camps on an individual basis and your unit will operate independently from the other units. Your unit will need to bring your own stoves, food, tents, etc. If you need any equipment or help, all you need to do is ask. This is Scouting after all! Most of all, Camporee is fun for the Scouts.

WHERE IS CAMPOREE THIS YEAR?

We are fortunate to again have Valley Trails Ranch for our Camporee site. The camping site is open field camping—so whatever you need, you must bring. This includes (but is not limited to) water, trash bags, lanterns, tables, chairs, all cooking equipment, including stoves, personal gear, etc. This is a great way to learn to supply what your unit needs and uses. This is also a great opportunity to practice “Leave No Trace.”

A few notes about Camping at Valley Trails:

- **CAR POOL, CAR POOL, and CAR POOL** to cut down on unnecessary traffic. Like always, each unit will camp in its own campsite, but cars will be parking in the designated parking lot.
- **TROOP TRAILERS** may be parked in your campsite, but the towing vehicles must be parked in the lot.
- **PACK IT IN, PACK IT OUT.** You will all be responsible for removing your own trash. We hope to have dumpsters on site again, but regardless, you need to Leave no Trace. We are guests at Valley Trails Ranch and we need to respect the grounds by keeping our site clean and tidy.
- **KYBOS** will be on site for Scout and Adult use. Permanent flush toilets will be available for adults and staff.
- **NO OUTSIDE DELIVERY VEHICLES** will be accepted into the camp. So, please plan for Friday night dinner to either be preordered Habit Meals or otherwise carried in by Scouts/Troops.
- **CAMPOREE BOUNDARIES:** Our Camporee has specific physical boundaries. It is imperative that these boundaries be observed. Scouts do not have the run of the Ranch. We are only permitted to use specific portions of the Ranch.

A FEW NOTES ABOUT CAMPOREE

Practice, Practice, Practice - The higher scoring Patrols are those that practiced their Scout skills prior to Camporee. Come to a Roundtable before Camporee to learn more about the events.

Camporee is a group effort - We need your help. All units will need to run at least one competition event. Help us provide a great weekend and if you have any questions please contact our event chairpersons: Anett & Hrair Assilian - 818-419-9341 or dasboot13@yahoo.com (See Page 10 for Details)

Photos - At the end of the uniform inspection on Saturday, April 27th, we will have photographers available to take a group photo of your unit. Throughout the day they will be taking photos of the Camporee events and possibly you. Pictures will be posted to a photo sharing website and be available for downloads.

The Climbing Wall will again be available for the Scouts and adults to use and test your skills. Thanks to Kent and Robin Johnson for this event. The climbing wall will be available during scheduled times for the Scouts. There is a new waiver for the climbing wall that will need to be submitted in order for scouts to participate. (See page 20 for details.)

Roundtable is a good place to ask anything about Camporee.

- Los Colinas holds it Roundtable on the 2nd Wednesday of every month at the LDS church at 4501 Deseret Avenue, Woodland Hills, starting at 7:30pm.
- Cahuenga District holds their Roundtable on the 2nd Thursday of every month at the First United Methodist Church, 4832 Tujunga Avenue, North Hollywood 91601, starting at 7:00 p.m

Otherwise call any staff member, especially this year's chairpersons:

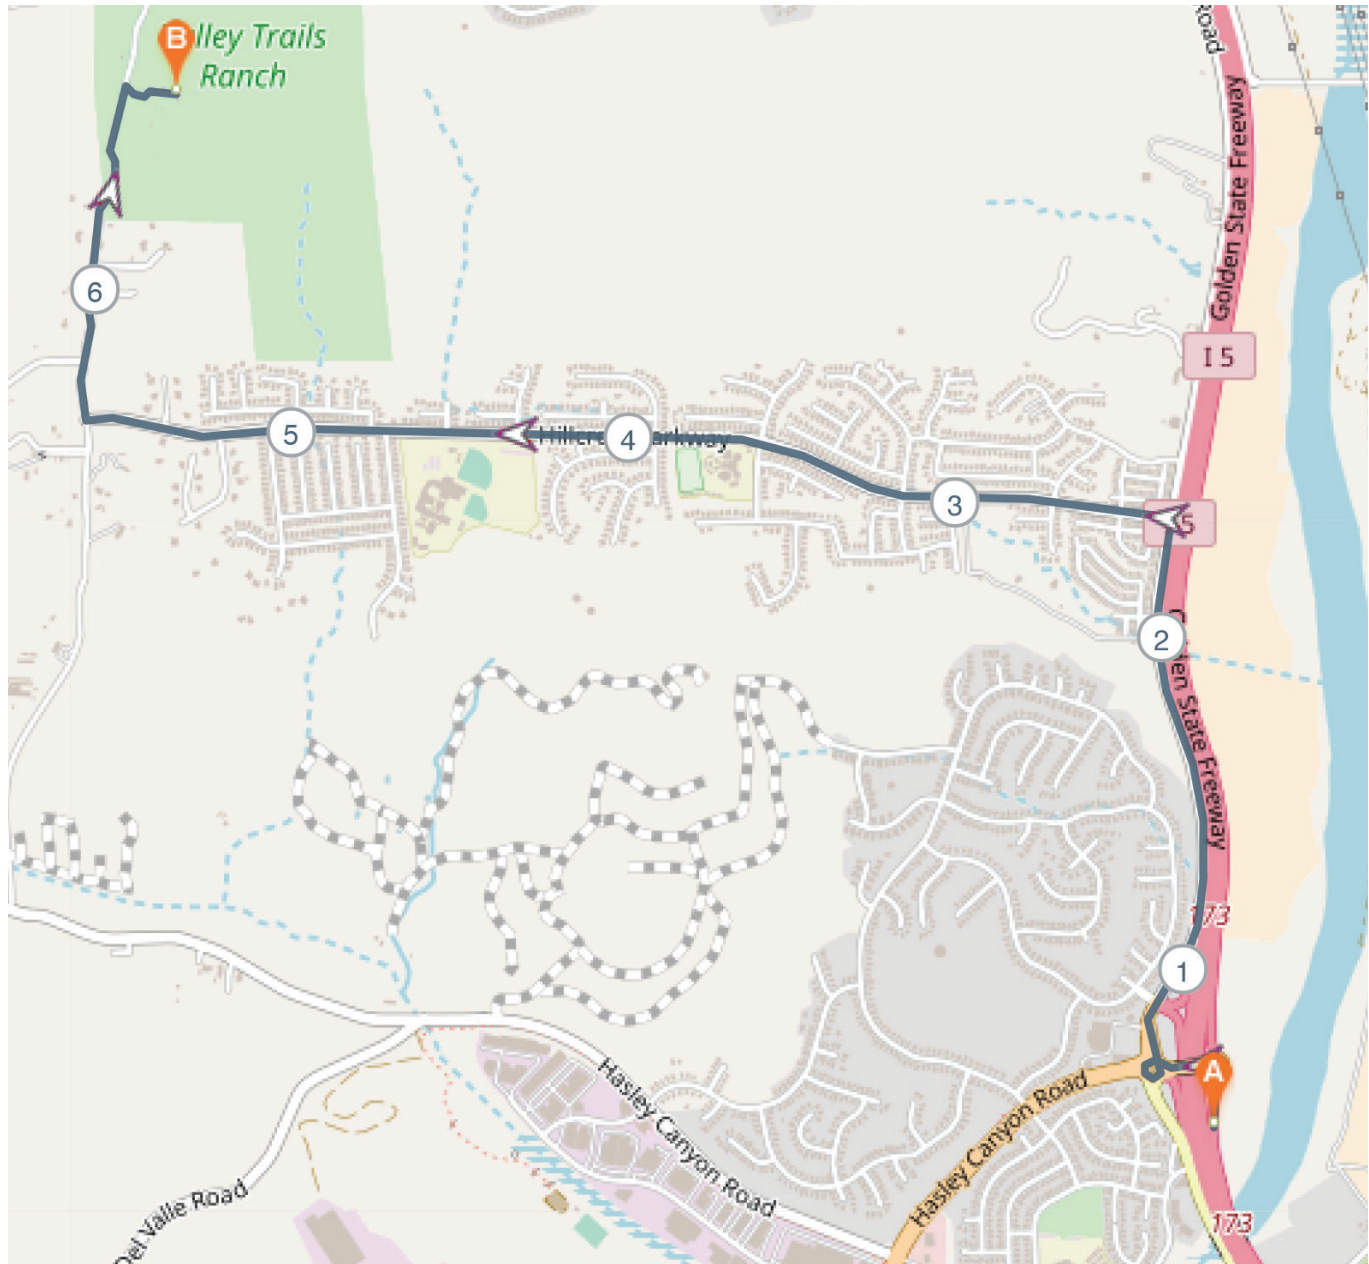

Steve Vincent, Las Colinas - (818) 730-8895 / lascolinascamporee@gmail.com

Evan Warshawsky, Cahuenga - (310).384.4168 / evan.warshawsky@yahoo.com

See you at Camporee!

GENERAL RULES AND NOTICES

CHECK-IN: Check in will start on Friday afternoon at **5:00 pm**. PLEASE do not arrive prior to this time.

CHECK-OUT: Check out will follow after the awards ceremony on Sunday morning. That is usually around 10:30am. For safety of the Scouts, please no cars in camp areas prior to this time. (See page 19 for details.)

SATURDAY CHECK-OUT: Any unit checking out Saturday must make prior arrangements with the Camporee Chairperson. This will assure that a proper campsite inspection takes place before that unit's departure from this year's event. Those departing units must clear their campsite before the start of the OA callout and campfire.

LEADERSHIP: The Senior Patrol Leader is in charge of and responsible for the conduct of the Scouts in the Troop at all times during Camporee. The Scoutmaster and his/her designated assistants will be on the site at all times. Two adult leaders must camp in the Troop area at all times.

UNIFORM: Your Class A or Field uniform should be worn at all assemblies.

CAMPAREA: Boundaries will be outlined on the Camporee map. **This is private property, so we need to stay in the camping area.** Anyone found outside the designated Camporee area will be sent home. No hikes or hill climbing. **NO EXCEPTIONS!!**

CAMPSITE ASSIGNMENTS: Your campsite will be assigned to your unit at the check-in desk. These are assigned based on the number of participants registered as of **April 8, 2019**.

CAMPSITE ACCESS: No one is allowed into your campsite area except adults while the events are in progress.

FUELS AND STOVES: All cooking will be done on stoves, no fire pits or rings. Use of propane is strongly suggested. However, if your unit uses white gas, please follow the BSA policy regarding liquid fuels. **NO GROUND FIRES ALLOWED.**

EQUIPMENT: BE PREPARED! Each attending unit is responsible for bringing their Troop and Patrol equipment, including cook boxes, trash bags, and necessary Troop and Patrol equipment.

Each Scout needs to have their Boy Scout Handbook with them, plus the Ten Essentials (As listed in the Scout handbook):

- | | |
|-------------------|------------------------------|
| 1. Pocket Knife | 6. Flashlight (or Headlamp) |
| 2. First Aid Kit | 7. Trail Food |
| 3. Extra Clothing | 8. Matches (or Fire-starter) |
| 4. Rain Gear | 9. Sun Protection |
| 5. Water | 10. Map and Compass |

A NOTE ABOUT KNOTS:

Make sure you know the knots appropriate to your rank.

- **Webelos and AOL** - All Cub Scout knots, plus bowline.
- **Scouts to 2nd Class** - Basic 7 knots. Square, Two Half-Hitch, Taut-line, Clove, Sheet Bend, Bowline, Timber Hitch, plus Lashings.
- **1st Class or Higher** - You should know every knot in the handbook plus a fisherman's knot.

ELECTRONIC EQUIPMENT: In keeping with the Scout experience and spirit we encourage units to have their Scouts leave electronic devices safely stowed throughout Camporee.

TRASH: Pack it in, Pack it out! Each unit is to carry out its own trash at the close of Camporee. Your participation package will be issued upon the completion of the clean-up inspection. Remember, Scouts always leaves an area cleaner than the way they find it.

NATIVE ANIMALS: It is normal for rattlesnakes to be in this area so be careful. Do not pick up or bother any of the wildlife in the area.

LOST AND FOUND: The Camporee Lost and Found area will be located at the Scoring office. Please make sure to take all your equipment and clothing.

SCOUT BEHAVIOR: Profanity is not in the Scouting tradition and will not be tolerated. The throwing of any objects will not be tolerated. Kybos will be used by the youth and not for garbage dumping, horseplay or dish washing.

EVENTS: All events are designated for four or more participants. Boundaries will be outlined on the Camporee map.

EVENT EQUIPMENT: The Patrols are expected to provide necessary supplies for each event unless specified in the events description. *Always have your ten essentials.*

WEBELOS AND ARROW OF LIGHT: Webelos and Arrow of Light Patrols attending Camporee must follow the National policy requiring a one responsible adult to four youth ratio. Packs, Troops or Crews that want to camp next to a specific Unit must so specify at the time of registration in order to have space reserved adjacent to the Unit's area. Look on the Camporee registration form for this listing. Courtesy contact with that Unit should be made prior to Camporee. Troops, Packs or Crews must turn in separate registration forms even if they are camping next to each other.

ALCOHOL, TOBACCO, AND DRUGS: As outlined in the Scouter Code of Conduct, Scouting activities are not a place to possess, distribute, transport, consume, or use any of the following items prohibited by law or in violation of any Scouting rules, regulations, and policies: alcoholic beverages or controlled substances, including marijuana.

An important way adult leaders can model healthy living is by following the policies on alcohol, tobacco, and drugs. Leaders should support the attitude that they, as well as youths, are better off without tobacco in any form and may not allow the use of tobacco products at any BSA activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants.

CAMPOREE SKIT ALERT!

The campfire will again be organized by the Order of the Arrow and presented by the Scouts. We will be doing auditions for songs, skits, and stories at the Troop elections for candidates to the OA or at a unit visitation. If your unit is not having an OA election (you may be part of Cub Scout pack, or just don't have any OA eligible members), you may schedule a time for an OA visit to see your campfire show. You will need to have an OA visitation or election in order to be participate in the campfire program. As we have more units involved this year, you will want to get your name on the list early, so contact us soon. New ideas for skits, songs and stories related to the Star Wars theme will have a better chance to be selected.

This year our units will be led out to the campfire bowl by the members of the OA, to enhance the experience for our Scouts.

Immediately after the campfire the Order of the Arrow Call-Out will begin.

We want to have a campfire that is out of this world, so Be Prepared and start rehearsing now. Please contact Tom Cantarine (tcantarine@gmail.com) for the Las Colinas district or Richard Strong (kidgnorts@icloud.com) for the Cahuenga district to schedule a unit visit or an election of eligible members.

ORDER OF THE ARROW CALL-OUT

The Order of the Arrow (OA) Call-Out Ceremony will be conducted after the completion of the campfire. The drum will start beating at the end of the campfire, and this will be the signal for the Troops to follow the directions for the OA candidate Call-Out.

All Scouts and Scouters must be in Class A uniform for the ceremony. Order of the Arrow members in your Troop should wear their OA sashes for the Call-Out. Please follow the directions of the OA leadership so this ceremony will start promptly.

If there are OA members within your Troop that would like to participate, or you have any questions or concerns about these procedures before Camporee 2019, please email Tom Cantarine, the adviser of Chauwalanne Chapter at tcantarine@gmail.com. Please come to an OA chapter meeting to find out details.

Upon completion of the OA Call-Out, the remaining Troop members will be dismissed to go back to their campsites.

If there are OA members within your Troop that would like to participate, or you have any questions or concerns about these procedures before Camporee 2019, please email Tom Cantarine, the adviser of Chauwalanne Chapter (Las Colinas) at tcantarine@gmail.com or Richard Strong, the adviser of the Alliklik Chapter (Cahuenga) at kidgnorts@iCloud.Com.

EVENT PARTICIPATION

Patrols will compete in the events that have been designed for their Patrol skill level. The skill level is determined by the rank of the Scouts in the Patrol. Please refer to the Patrol Classification section of the packet for the classification of your particular Patrol. (See page 13-14 for details.)

PADAWANS (Webelos and Arrow of Light) Compete in events 1-8

JEDI APPRENTICES Compete in events 9-17

JEDI KNIGHTS Compete in events 18-26

JEDI MASTERS Compete in events 27-35

Leadership is a part of the scoring scheme as well as overall participation and Patrol spirit. Encourage your Patrol leaders to go over all the skills involved in the events with their Patrol before the Camporee. The better your Patrols know their skills the better they will do in the events competition.

RUN AN EVENT AT CAMPOREE

The Camporee staff is asking all units to sponsor and run at least one event at Camporee and will give your unit details of what is expected. We will look to you for full cooperation in preparing for and providing a fun and challenging event for our Scouts that matches the Star Wars theme of the event. We will do everything possible to help the sponsoring unit with any problems that may arise.

All sponsors are asked to be able to run two identical events simultaneously. This gives the Scouts time to complete all their events without the usual “long line, bog down.”

To help things run smoothly, there will be several opportunities to discuss how to run the events and the scoring procedures.

- **MARCH 13 - Las Colinas Roundtable.** 7:30pm, at the LDS church on the corner of Mulholland and Deseret streets.
- **MARCH 14 - Cahuenga District Roundtable,** 7:00pm at the First United Methodist Church, 4832 Tujunga Avenue, North Hollywood 91601.
- **APRIL 13 - Time and Place TBD.**
- **APRIL 26 - 9:30 pm in the Staff Area/Camp Dining Hall at Camporee.**
-

If you have never run an event or have questions it is extremely important to attend one of these meetings.

Don't be afraid to volunteer even if you've never done this before.

This is an opportunity to make use of those parents that just want to come and “hang out.”

Let them know they are needed. Please pitch in and help.

REGISTERING TO RUN AN EVENT

We're trying something new this year for our Event Sponsor Registration. Since we have Packs and Troops from two districts, we're going to use SignUp Genius on the web at this URL: bit.ly/camporee2019

Or send an email to one of the Camporee Chairman and we'll send you a link.

PATROL CLASSIFICATION

The following is the classification scheme for Patrol competition:

| BOY SCOUT RANK | POINTS |
|----------------|--------|
| SCOUTS | 1 |
| TENDERFOOT | 4 |
| SECOND CLASS | 8 |
| FIRST CLASS | 10 |
| STAR | 15 |
| LIFE | 20 |
| EAGLE | 25 |

| PATROL CLASSIFICATION | AVERAGE POINTS |
|-------------------------|--------------------------------|
| PADAWANS | All Webelos and Arrow of Light |
| JEDI APPRENTICES | 1.00 - 5.99 |
| JEDI KNIGHTS | 6.00 - 10.99 |
| JEDI MASTERS | 11.00+ |

CREWS will compete as **JEDI MASTERS**

EXAMPLE: Old Goat Patrol Roster

| NAMES | RANK | POINTS |
|----------------|--------------|--------|
| Bob Hazard | Life | 20 |
| Steve Shorr | First Class | 10 |
| Robin Johnson | Second Class | 8 |
| Bill Wright | Tenderfoot | 4 |
| Steve Vincent | Scout | 1 |
| TOTAL POINTS | | 43 |
| TOTAL SCOUTS | | 5 |
| AVERAGE POINTS | | 8.6 |

Each Scout in the Patrol, who is in attendance at the Camporee, is given a point value according to his rank at the time of Camporee. All individual points of the Patrol members are added together. This total number of points is then divided by the number of Scouts in the Patrol. This average will be used for classification for the various events.

Divide the 43 by 5 (number of Scouts) = 8.60 points.
The Patrol classification list designates this average as JEDI KNIGHTS, therefore, the Old Goat Patrol will compete in the JEDI KNIGHTS events.

IMPORTANT - SEND IN YOUR PATROL CLASSIFICATION FORM BY APRIL 22!!

With the increased number of participants this year, we need to receive Patrol Classification Forms prior to Camporee. There are a couple of ways you can send them in.

- Digital Form - Download the form from mylascolinas.org or cahuenga.bsa-la.org/camporee.html. It is an Excel Spreadsheet that will do all the calculations as you fill it out and includes an email link.

- Fill out the form from the packet (Page 14), then scan or take a photo of it, and email that in.

Whichever method you prefer, please submit your forms by April 22nd.

Please email forms to:

JUDGING CRITERIA

Judging of Uniforms, Patrol Flags, Campsites and Entrances will be done by volunteer Scouters. At this time, we are providing basic criteria the Judges will be using, so that all units can begin to prepare.

If you need additional information, or have questions, you can call:

The judges are looking for uniformity within neat, clean, courteous units and wearing the following items **properly affixed in the correct places** per the Insignia Guide.

NEW HABIT MEAL PRODEDURE PLAN FOR 2019

In order to get everyone fed faster and enjoy warmer food, unit leaders will be given a small ticket with a summary of what was ordered at registration as well as individual food tickets. As in the past, Unit leaders will be able to see what was ordered and distribute individual food tickets to Scouts and Scouters.

This will help eliminate the confusion of who got their food and help out leaders with members arriving at different times.

CHECK-OUT PROCEDURES

When your unit is ready to depart, the Senior Patrol Leader or Den Leader should inspect the area for cleanliness. Remember that all trash is to be packed out.

Campsites should always be left better than they were found.

Assistance in surveying and cleaning common areas is expected and very much appreciated.

When the Senior Patrol Leader or Den Leader is satisfied that the campsite is clean, they should obtain a ticket and evaluation sheet from one of the members of the camp inspection team who has cleared them for departure.

The Senior Patrol Leader or Den Leader then takes the ticket, the completed evaluation sheet **AND YOUR CAMPSITE UNIT SIGN** to the Staff headquarters where they can obtain their Camporee patches and packet of score sheets and ribbons.

**- - - FOR SAFETY REASONS, PLEASE RESPECT - - -
NO VEHICLES IN THE CAMPSITE AREA PRIOR TO THE
