

APRIL 24-26, 2020

AV DISTRICT CAMPOREE 2020

| *Instacamp*

Do you  like to camp? If you do, [share](#) this with your patrol:

Camporee is again approaching, and this year we plan to link in as many patrols as possible with our social media theme “Instacamp”. Create your patrol meme and get ready to have your scout skills viewed as often as possible! Registration will be available on DoubleKnot in mid-February along with links to the required waiver and medical forms for participants. We are returning to Camp Three Falls in Frazier Park again this year for Camporee. Once the DoubleKnot registration is available, units are free to register **with a single reservation for all participating scouts** at any time until online registration closes on April 22, 2020. Try to register all attendees as soon as possible because the spaces will be limited to 300 scouts. Units may add to their registrations in Doubleknot, but the online system will not allow for refunds, so please try to fill any cancellations with other participants if possible.

As we come closer to the Camporee, a set of guidelines will be available listing all expected competition events, policies, and procedures.

As in previous years, Webelos dens are welcome and encouraged to participate in the Webelos competition events at Camporee. However, this year, based on restrictions published in the Guide to Safe Scouting, **Webelos dens are not allowed to camp overnight** so they should plan to come to Camp Three Falls on Saturday morning and stay until the conclusion of campfire on Saturday evening. Webelos dens should register with their Pack with a single DoubleKnot reservation. If we get sufficient Scouts BSA volunteers, we will attempt to assign Den Chiefs to each participating Webelos den to lead them through the competitions (and invite them to lunch and dinner with their troops). Please contact the Camporee Director, Craig Moles craig.moles@sbcglobal.net with any questions.
