- Everyone is ~~entirely~~ caught up. Tomorrow will be review day for Wednesday new canoe.
- Friday will be capsizing day and in-water training.
- Still need to learn knots. Will be taught Thursday and Friday.
- Antoine needs to pay more attention and not make inappropriate jokes. (Troop 404).
- Isaac needs to stay in his kayak and wait until Friday to capsize. Has been reminded multiple times. (Troop 911)

7/23

- Everyone passed except Vito and Adam who dropped the class
- Whole class did an excellent job, all proficient in the main skills
- Skills 4d and 6c are no longer required for merit badge
- Isaac was a little impatient to be in the water, but he turned down \$20 to stay in his boat. Much improved
- Great job flipping, Noah!

Colin made huge improvements Tuesday when I (Eli) went out in the rowboat with him. We worked on all types of strokes (backwater, left, right, and spin). He is doing great. Noah and Steven quickly learned turns and were able to navigate on their own without needing help from either instructor. They also learned the required knots very quickly and are respectful to the staff members.

* All Scouts completed rowing and all the requirements
