Parker was told to come into class (5a or 5b) but didn't show, told to come into 5a/5b today as well, needs to come in needs sufficient help on surface dives

Parker - has the skills required, lack desire or drive to let them to use completely capable but just doesn't have the drive, better mentality
 Spencer - great swimmer, refuses to quit, knocks everything out pretty w/o much difficulty, great performance

Matthew - incredible drive, refuses to quit though he may struggle in some things his inability to allow himself to fail gets him through it, very impressed.

Joseph - determined, driven, goes along w/ class well + listens perfectly great seat with great attention abilities

Walter - defies expectations, impressed me on multiple occasions, little issues w/ listening but overall performance very well

Julian - same as Walter, good listening skills, great swim as well, willing to do anything very impressed as well
